

Privacy Notice

Cessatech A/S

This privacy notice explains how Cessatech A/S ("We", "Us", "Cessatech") process your personal data.

1. Introduction

Cessatech A/S ("Cessatech", "we", "us", or "our") is committed to protecting the personal data of individuals whose personal data we process in connection with our business activities. This Privacy Notice explains how we collect, use, disclose, store, and otherwise process personal data, and how we ensure compliance with applicable data protection laws, including Regulation (EU) 2016/679 (the General Data Protection Regulation - "GDPR").

This Privacy Notice applies to personal data relating to visitors to our website, subscribers to our news and communication services, business partners and collaboration partners, investors, applicants for employment, and other individuals who interact with Cessatech.

2. Data Controller

The data controller responsible for the processing of your personal data is:

Cessatech A/S
Strandvejen 60, 2900 DK-Hellerup
CVR no.: 41293055
Email: info@cessatech.com

If you have any questions about this Privacy Notice or our processing of your personal data, you may contact us using the details above.

3. Categories of Personal Data and Purposes of Processing

We process personal data for different purposes depending on your relationship with Cessatech. Below we describe the main processing activities, the categories of personal data involved, and the legal bases for processing.

3.1 News, Invitations, and Other Communications

If you sign up for Cessatech's news or otherwise request information from us, we process personal data to provide newsletters, invitations to events, and other information about our business and products.

Categories of personal data

Name and email address.

Purpose

To communicate with you and provide relevant information about Cessatech, our activities, and our products.

Legal basis

Our legitimate interest in communicating with stakeholders and promoting our business (Article 6(1)(f) GDPR).

You may unsubscribe from our communications at any time by following the instructions in our messages or by contacting us.

3.2 Website Use and Enquiries

When you visit our website or contact us through online forms or email, we may process personal data to respond to your enquiries or provide requested information, including investor-related information.

Categories of personal data

Name, email address, and information included in your enquiry, as well as information about the service or information you are interested in.

Purpose

To respond to enquiries, provide requested information, and administer access to specific content.

Legal basis

Our legitimate interest in communicating with website users and providing information upon request (Article 6(1)(f) GDPR).

If you choose not to provide required information, we may not be able to respond to your enquiry or grant access to certain content.

3.3 Collaboration Partners and Potential Collaboration Partners

If you are a collaboration partner, supplier, consultant, or a representative of a potential collaboration partner, we process personal data in connection with establishing and managing the business relationship.

Categories of personal data

Identity and contact details (name, email address, telephone number, address), professional information (position, employer, educational background), and information relating to our business relationship.

In certain cases, to comply with know-your-customer (KYC), accounting, or legal requirements, we may also process financial information, including payment and tax-related information.

Purpose

To manage contractual or pre-contractual relationships, perform our obligations under agreements, and comply with legal requirements.

Legal basis

Processing necessary for the performance of a contract or to take steps prior to entering into a contract (Article 6(1)(b) GDPR), and compliance with legal obligations (Article 6(1)(c) GDPR).

3.4 Recruitment and Job Applications

Cessatech processes personal data relating to applicants who submit unsolicited applications or apply for open positions.

Categories of personal data

Contact details, CV, educational and employment background, qualifications, references (with your consent), and information obtained during interviews. We may also process publicly available professional information, for example from LinkedIn or similar platforms.

Purpose

To assess and manage recruitment processes and identify suitable candidates.

Legal basis

Our legitimate interest in recruiting and hiring qualified personnel (Article 6(1)(f) GDPR).

Unless otherwise agreed, applications and related personal data will be deleted no later than six (6) months after the conclusion of the recruitment process.

4. Recipients of Personal Data

We may share your personal data with trusted third parties who act as data processors on our behalf, such as IT service providers, hosting providers, marketing agencies, consultants, and suppliers of newsletter and communication tools. These parties process personal data solely in accordance with our instructions and subject to appropriate data

processing agreements.

We may also disclose personal data to independent third-party data controllers where required by law, where necessary to provide a service or perform a contract, or where relevant in connection with collaborations, investments, or corporate transactions.

Where relevant, personal data may be shared with companies within the Cessatech group, if any, where this is necessary for the purposes described in this Privacy Notice.

5. Transfers to Third Countries

Cessatech may transfer personal data to recipients located outside the EU/EEA ("third countries"), for example where external service providers, advisors, or business partners are located outside the EU/EEA. Such transfers will be carried out in accordance with applicable data protection laws and will generally be based on the European Commission's standard contractual clauses or other appropriate safeguards under Chapter V of the GDPR. In limited cases, transfers may take place in accordance with Article 49 GDPR.

You may request further information about our safeguards for international data transfers by contacting us.

6. Storage and Deletion

We retain personal data only for as long as necessary to fulfil the purposes for which it was collected, unless a longer retention period is required or permitted by law, including under applicable bookkeeping, accounting, or limitation legislation.

Personal data may be stored for a longer period where it has been anonymised or where necessary to establish, exercise, or defend legal claims.

7. Your Rights

Under the GDPR, you have the following rights in relation to our processing of your personal data, subject to applicable conditions and limitations:

- The right to request access to your personal data

- The right to request rectification of inaccurate or incomplete data
- The right to request erasure of your personal data
- The right to request restriction of processing
- The right to object to processing based on legitimate interests
- The right to data portability, where applicable

Where our processing is based on your consent, you may withdraw your consent at any time. Withdrawal of consent does not affect the lawfulness of processing carried out prior to the withdrawal.

To exercise your rights, please contact us using the contact details set out in Section 2.

8. Complaints

If you believe that our processing of your personal data does not comply with applicable data protection laws, you have the right to lodge a complaint with the Danish Data Protection Agency (Datatilsynet).

9. Cookies and Similar Technologies

When you visit our website, we use cookies and similar technologies to collect information about your device, browser, and use of the website. Cookies are small text files stored on your device that help us recognise your browser and improve the functionality and performance of our website.

Cessatech uses Cookiebot to manage cookies and user consents on our website.

9.1 Types of Cookies

We use the following categories of cookies:

- **Necessary cookies:** Required for the basic functionality and security of the website. These cookies cannot be disabled.
- **Preference cookies:** Enable the website to remember information that changes the way the website behaves or looks.
- **Statistics cookies:** Help us understand how visitors interact with the website by collecting and reporting information in an aggregated and anonymised form (e.g. analytics).
- **Marketing cookies:** Used to track visitors across websites to display relevant and engaging advertisements (if applicable).

9.2 Legal Basis

The use of necessary cookies is based on our legitimate interest in ensuring the secure and functional operation of our website (Article 6(1)(f) GDPR). All other cookies are used only with your consent (Article 6(1)(a) GDPR), which you may give, refuse, or withdraw at any time via the Cookiebot consent banner or by changing your cookie settings.

9.3 Withdrawal of Consent

You may withdraw or modify your consent to cookies at any time by accessing the cookie settings available on our website. Withdrawal of consent does not affect the lawfulness of processing carried out prior to such withdrawal.

For more information about the specific cookies used on our website, including their purpose and retention periods, please refer to the cookie declaration available through the Cookiebot banner.

9. Links to Other Websites

Our website may contain links to third-party websites. Cessatech is not responsible for the content of such websites or their processing of personal data. We encourage you to review the privacy notices of any third-party websites you visit.

10. Changes to This Privacy Notice

We reserve the right to update or amend this Privacy Notice from time to time. Any changes will be published on our website, and the updated version will apply from the date of publication.
